

# creative occupational therapy

## INTRODUCES

## Our New Clinic

This **summer** we are providing **mini OT assessments**.

### Screening for:

Sensory needs

Fine motor skills

Gross motor skills

Feeding skills

Daily living skills, eg:

washing, dressing, toileting  
and sleep

For children and  
adolescents

Cost for  
Mini Ax  
**£250**

### Included in the £250

- 2 hours of OT assessment
- 1 page summary report.
- 1 programme for most prevalent need.
- Recommendations will include identification for most appropriate ongoing intervention pathway e.g. full OT assessment, 1:1 input, group sessions
